HOLIDAY INN RESORT KANDOOMA MALDIVES

Information you need to know before you travel

PLANNING YOUR STAY IN THE MALDIVES

Can I stay at different Resorts when holidaying in Maldives?

Please remember that your entire holiday in the Maldives must be booked at the same resort. You will also require a confirmed hotel booking for your tourist visa.

Has the Visa Process changed?

On-arrival visas are still available for all tourists, and visa extensions are available for any long-stay holidaymakers. For your free 30-day on-arrival tourist visa, you have to provide:

- i. A confirmed hotel booking, sufficient funds and confirmed return ticket.*
- ii. Health Declaration Form x 2 (on arrival and prior to departure)*

What is the process for completing the mandatory Health Declaration Form?

Traveller Health Declaration (THD) must be completed in and submitted by all travellers travelling to and from Maldives, within 24 hours prior to their travel.

You may submit the form electronically via <http://imuga.immigration.gov.mv>

How will I know the social distancing practices to follow at the airport?

All physical distancing guidelines are clearly marked with visible distance information and floor markings in passenger terminals. Hand sanitisation and hygiene facilities are also available throughout the airport.

Do I have to wear a mask at the Airport?

Yes. *All tourists are required to wear facemasks at the airport, during domestic travel and in all enclosed public spaces.*

PLANNING YOUR STAY IN THE MALDIVES

What can I do to have a safer holiday experience in the Maldives?

We encourage all visitors to install the Maldives' contact tracing app 'TraceEkee' (App Store / Play Store) before arrival into the country to help us ensure your safety and the safety of others as you enjoy your holiday. Always remember to practice good hygiene, frequent handwashing/use of hand sanitizer, respiratory etiquette and maintain at least 1 metre of physical distance between others outside your contact bubble, throughout your trip.

Am I required to undergo a PCR test for COVID-19 on arrival?

No. *Only those who display COVID-19 like symptoms, such as a fever above 38 degrees Celsius, coughing or sneezing, will be tested for COVID-19.*

What kind of tests will be performed at the immigration upon arrival to Maldives?

All tourists will undergo non-intrusive temperature checks and screening on arrival to the Maldives which includes a health questionnaire and a history of recent travel. You may also be chosen for a random COVID-19 PCR test by the Maldivian Health Authorities.

Do I have to pay if I get chosen for random testing?

No. *If chosen for random PCR test on arrival, the Maldives Government will bear the cost for testing.*

If I am showing signs associated with COVID-19?

If you are showing signs associated with COVID-19 on arrival, you will be required to undertake a PCR test. If you are found to be COVID-19 positive you will be required to isolate for 14 days at the resort for which you have confirmed booking. Please note, members of your travelling party will also be PCR tested and be subjected to quarantine if you are found to be COVID-19 positive. At the end of the 14 day quarantine period, you and your travelling party will have to undergo a second PCR test and can depart the Maldives only if the test results are negative. If positive, further quarantine is required. Please note that the costs associated with the testing and isolation are to be borne by you and your guests.

AT HOLIDAY INN RESORT KANDOOMA MALDIVES

I need to have a PCR test carried out before I leave the resort. Is this possible?

Yes. The resort can arrange a PCR test to be carried out prior to your departure.

*Please ensure you advise the resort at the time of booking and reconfirm upon check-in on your requirement and advise the maximum timing to conduct the test (i.e. 24hrs, 48hrs or 72hrs before departure). The sample will be taken at the resort clinic by our doctor and transported to the PCR testing facility in the capital city of Male'. **The cost of the PCR testing is USD 155 per person / per sample including a handling and transportation fee that will be added to your final bill.***

In addition, during exit screening at the resort if any guest is found to have fever or symptoms suggestive of COVID-19 within the past 14 days, they must follow the mandated protocols of the Health Protection Agency (Maldives).

Please note that the resort has to comply with all directions and regulations of the Maldives Government relating to responses to Covid-19 (and other such illnesses). By confirming your reservation at Holiday Inn Resort Kandooma Maldives, you agree to the following:

In this respect, if the Maldives Government mandates any treatment, tests, quarantine or any other such provisions which results in the Maldives Government imposing a charge or a fee and/or where the government expects the resort to reimburse or pay the Maldives Government any such amounts relating directly to the guests and/or the resort incurs any direct or indirect cost relating to the performance of any obligations by the resort (including but not limited to the transportation and itineraries of guests as per government requirements) then these amounts shall be payable to the resort by the guest and shall be added to the final bill of the guest that the guest will settle upon departure or checkout.

The resort also reserves the right to require guests to provide a deposit or credit card guarantee if such costs are envisaged.
